Hi Annie and Kate,

As it turns out, the case will not be going to trial this week because I broke my foot yesterday. We will set a new trial date next week after I see the doctor and get a better sense of when I will be able to be up and about. If there are any dates coming up that are bad for you, please let me know.

Thanks,  
Jen

Hi Jen,

I spoke with Kate this morning, if we could testify on Thursday 4th in AM that would be great. We will both be in the Lab tomorrow if you have any questions about the case.

Thanks

Hi Annie and Kate,

As I believe you know, this case is scheduled for trial in Middlesex Superior Court in Woburn on Wednesday, Feb. 3, 2010. I spoke with the clerk today, and she thinks we will start on time. So I wanted to check in with you and get a sense of when the best days are for you to testify in Woburn. I will do what I can to work with your schedules. If you can also let me know when a good time to talk next week about testimony is, that would be great. Feel free to email me or call me. My numbers are:

Office main: 781-897-8800

Office direct: 781-897-8820

Thanks,
